

CONGRATULATION LETTER

for

doc. RNDr. Jozef Kovacik, PhD.

In recognition of the scientific accomplishments for the benefit of Maria Curie-Skłodowska University in Lublin and the original and creative research achievements documented by a series of experimental articles on the interactions between abiotic stress, microbiological activity, and plant metabolism published in the academic year 2018/2019, I send my congratulations on your results and wish you further success.

CHANCELLOR

Professor dr hab. Stanisław Michałowski

Lublin, 23 October 2019
